Abdullah Sarwar

What is the last thing you do when you go to bed?

What is the first thing you do when you wake up?

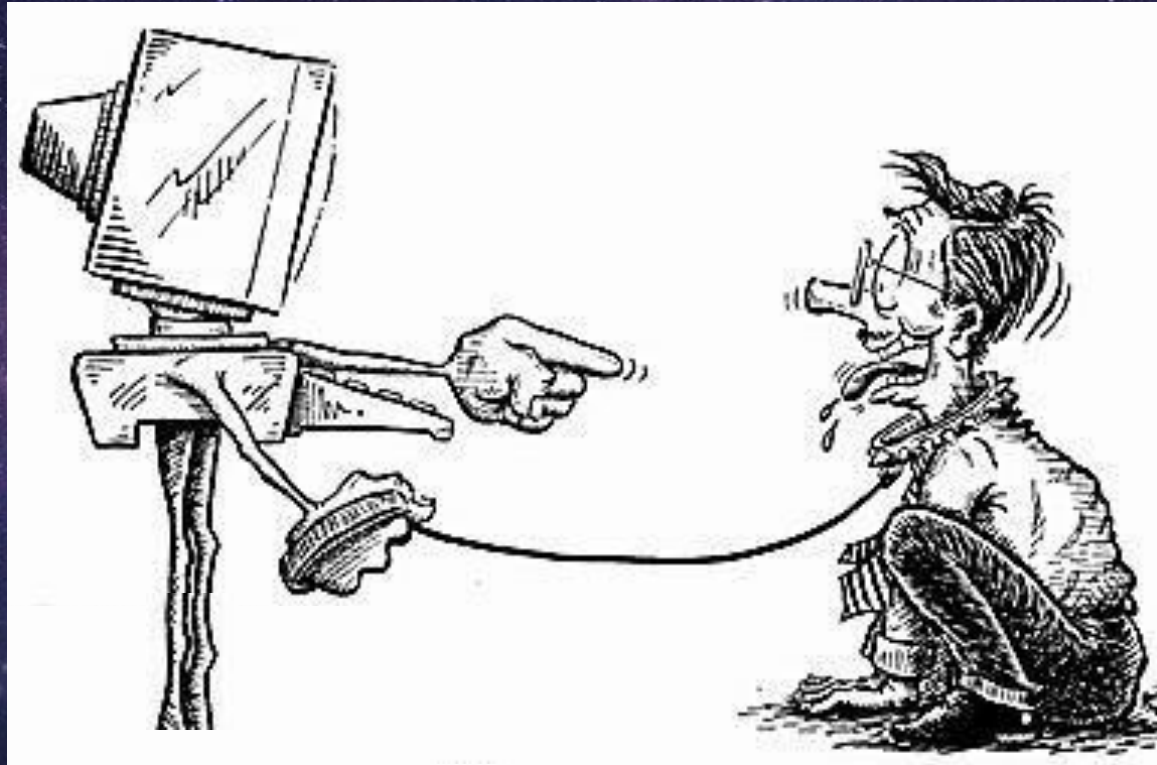

“80% of smartphone users check their mobile devices within 15 minutes of waking up each morning”

Source: International Data Corporation

Food for thought ...

Do we control the machines or machines control us?

How excessive use of technology impacts our Society?

Friends

Family

Average Screen Time = 04 hours
per day

Source: Inc.com article dated 30 Oct 2018

Social Interactions

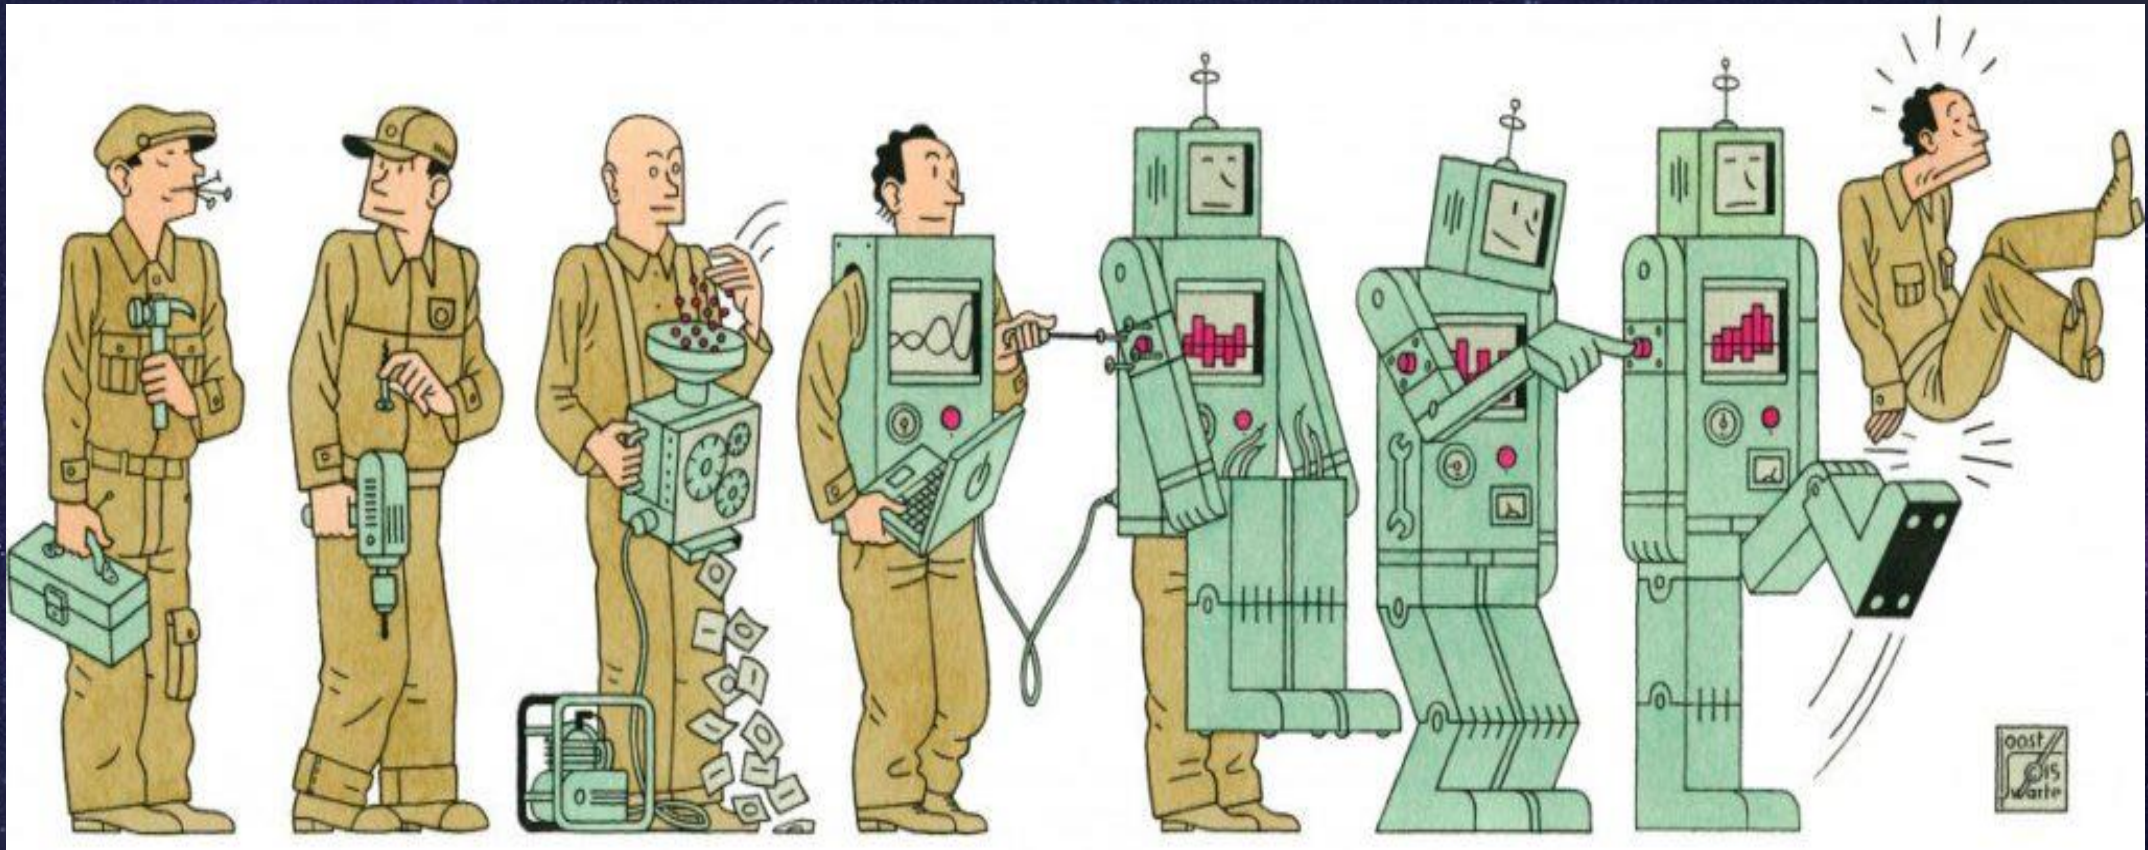

How excessive use of technology impacts our Society?

"Americans aged 18 and older spend roughly ten and a half hours a day watching TV, listening to the radio or using their smartphones and other electronic devices"

Nielsen's Total Audience Report

How excessive use of technology impacts our Society?

Technology was supposed to help the people around us, not to replace them

Are we the fourth ape?

Finally the fourth ape! He is the
sum of the first three:
He sees nobody, hears nobody
and speaks to nobody.

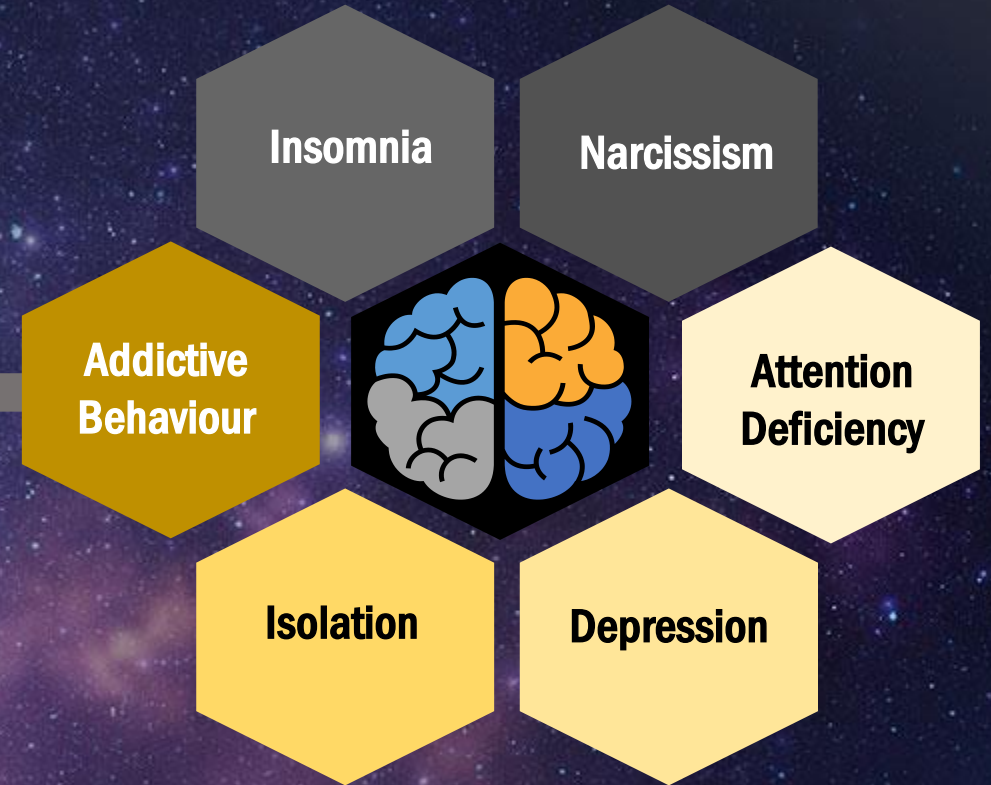

How excessive use of technology impacts our Health?

Physical Issues

Mental Issues

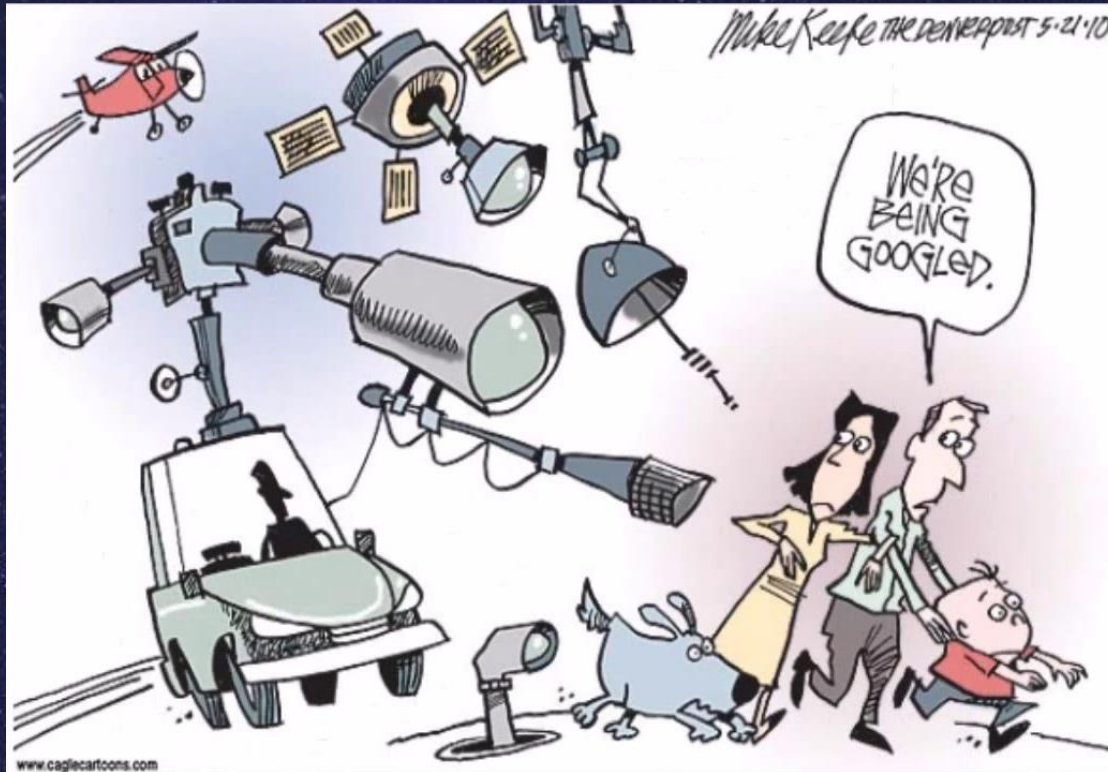

"Prolonged use of computers, tablets, and cellphones can lead to digital eye strain"

Source: American Optometric Association (AOA)

"30% of children with major depression used the internet for at least 3 hours a day"

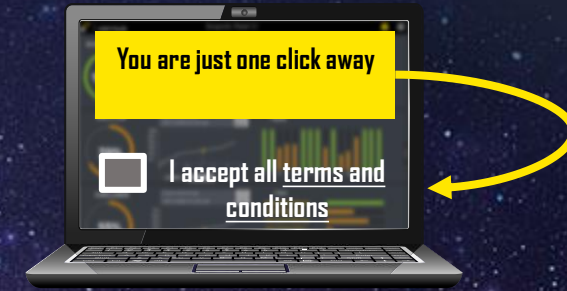

Source: International Journal of Child Health and Human Development

How excessive use of technology impacts our Privacy?

"What happens to our personal data, identity, reputation, and privacy in this digital, connected world? Unclear"

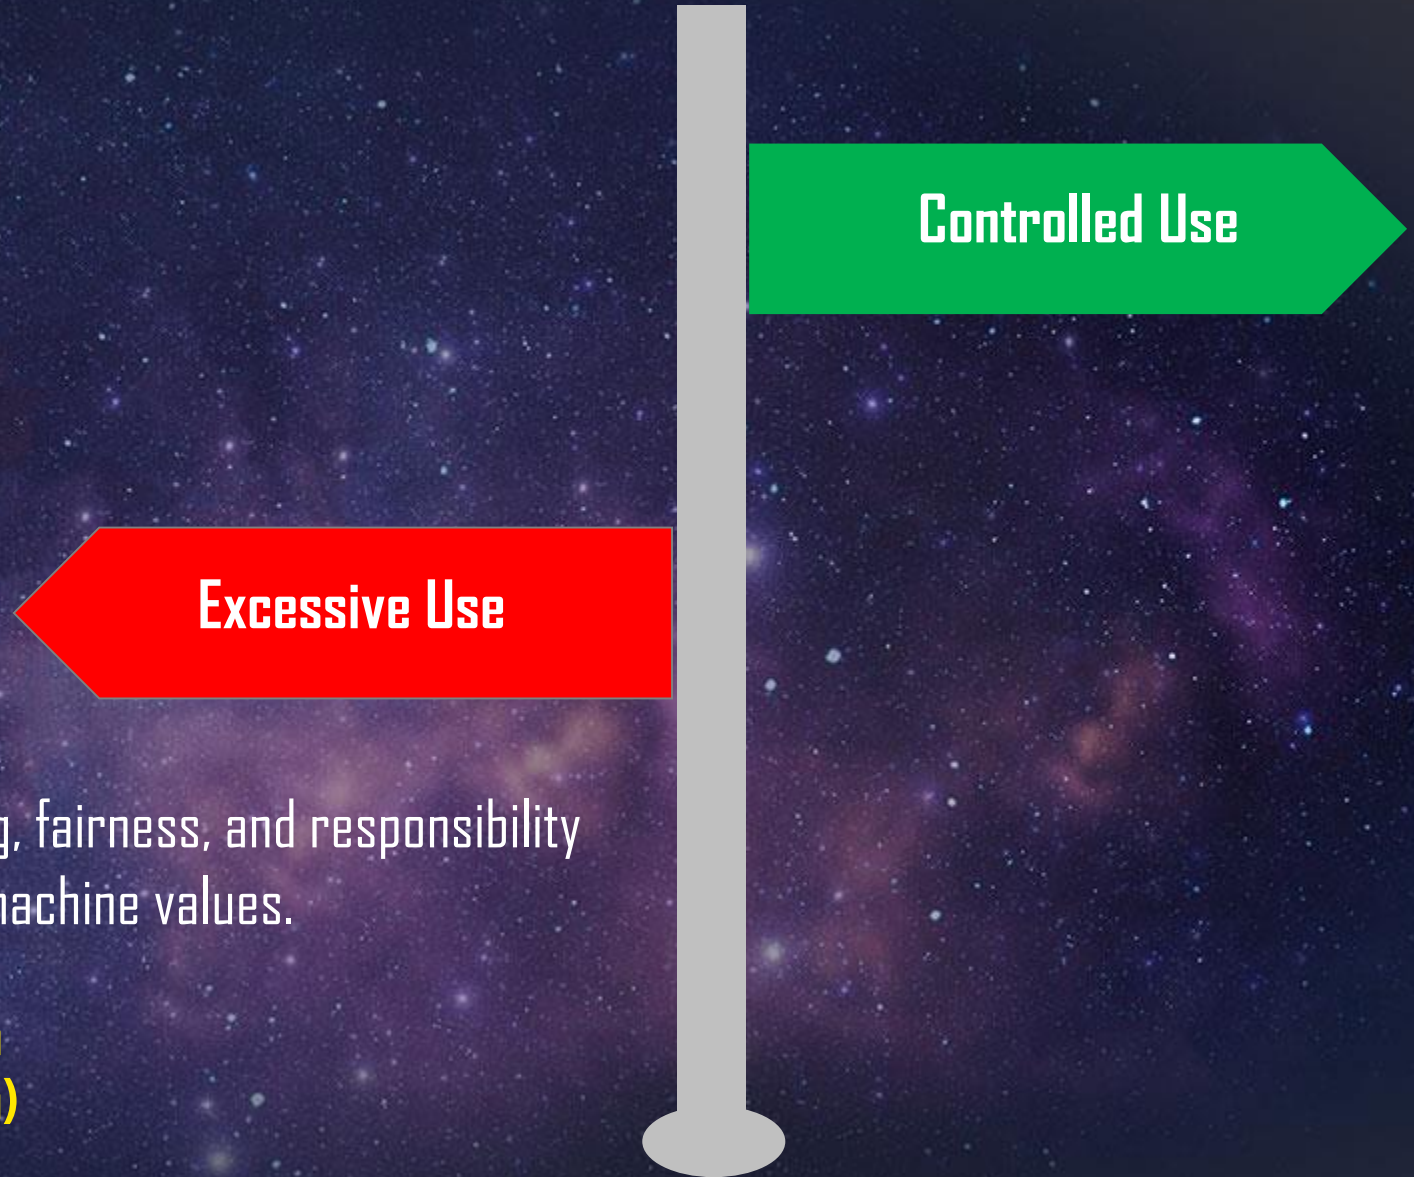

Forbes

Are you providing too much of your information?

Where we are heading to?

"We are losing empathy, compassion, truth-telling, fairness, and responsibility and replacing them with all these machine values."

**Source: Michael Bugeja
(World Economic Forum)**

A point to ponder . . .

ہے دل کے لیے موت شینوں کی حکومت
احساسِ مروت کو نچل دیتے ہیں آلات

Death to the heart, machines stands sovereign,
Engines that crush all senses of human kindness

(Bal-e-Jibril)

We would be more than happy to
convince you through our answers?

If in doubt, please ask.....

Thank You...
