Dear Students,

Additional time of fifteen minutes

The Council of the Institute of Chartered Accountants of Pakistan in its meeting held on May 11, 2011 has decided to allow the students additional reading time of fifteen minutes prior to attempting the examination paper. It is expected that the additional reading time would help the students to read and understand the requirements of the questions and then plan their answers properly before writing.

This concession has been granted with immediate effect. Accordingly, the question papers for the morning and the afternoon sessions would be distributed at 9:00 am and 2:00 pm respectively. The blank answer scripts would be handed over fifteen minutes later and the examinations would now end at 12:15 pm and 5:15 pm respectively.
