

INTERNATIONAL AFFILIATIONS

The ICAP's affiliation with international bodies has enhanced the spirit of collaboration among the member countries and has played an effective role in promoting standards of competence and high quality standards for the accountants.

INTERNATIONAL FEDERATION OF ACCOUNTANTS (IFAC)

ICAP is a proud member of the International Federation of Accountants and hopes to achieve global competence through adherence with quality international standards set by IFAC that are working to promote and develop the Accountancy practices and values.

Confederation of Asian &
Pacific Accountants

CONFEDERATION OF ASIAN & PACIFIC ACCOUNTANTS (CAPA)

ICAP coordinates with CAPA to augment the accountancy standards and advance the profession by promoting harmonization through the adoption of IFAC and IASB standards.

An Apex Body
of SAARC

SOUTH ASIAN FEDERATION OF ACCOUNTANTS (SAFA)

SAFA serves as a regional platform to Chartered Accountants. ICAP is an active member of SAFA that serves as a professional accountancy forum for SAARC member bodies.

international
innovation
network

INTERNATIONAL INNOVATION NETWORK (IIN)

As member of IIN, ICAP through the IIN platform, along with other member countries share innovative ideas, products and services that meet the needs of professional accountants and their organizations.

ASIAN-OCEANIAN STANDARD-SETTERS GROUP (AOSSG)

Objectives of AOSSG include promoting the adoption of, and convergence with, International Financial Reporting Standards (IFRSs) by jurisdictions in the region, promoting consistent application of IFRSs by jurisdictions in the region, coordinating input from the region to the technical activities of the International Accounting Standards Board (IASB) and cooperating with governments and regulators and other regional and international organizations to improve the quality of financial reporting in the region.
