## **Webinar on “Self-Reflection on your professional career during lockdown”**

This webinar will provide a simple approach to start down the path of reinventing yourself. You will get a clear guidance for how to excel in your professional career all without succumbing to the self-doubt that can drag all of us down when we're trying to forge a new path for ourselves.

This webinar will address key issues of career planning, taking a career break and how to strike back with a new zeal in a constantly changing world. We will also look on stats that are thrown around about the future of work. In a nutshell, this webinar is for anyone who finds themselves at a crucial decision point in their career and needs to figure out what next.

Keeping in view the significance of the topic for the members. The Northern Regional Committee of ICAP and Southern Regional Committee of ICAP have jointly arrange an exclusive webinar to take time during lockdown and reflect upon your professional career **on April 28, 2020 at 09:00pm Pakistan Standard Time with Ms. Terri Duhon.**

You can log on and watch from your home, office etc anywhere per your comfort. Please follow registration link for attending the webinar.

# **Speaker Profile**

## **Ms. Terri Duhon**

From Wall Street trader at JPMorgan to entrepreneur to Oxford University Associate Fellow to corporate board member. Today, Terri Duhon sits on large boards and gives strategic talks to thousands of employees and senior professionals. She is the Chair of the Board of Morgan Stanley Investment Management for the EMEA business, on the board of Morgan Stanley International and Rathbone Brothers plc, a FTSE250 UK Wealth Manager. On these boards, she also chairs the Risk Committee. She is an Associate Fellow at The Said Business School at Oxford University, on the MIT Corporation Visiting Committee for the MIT Math Department, a motivational speaker for Speakers for Schools and a frequent Keynote Speaker on Culture, Career Management, Diversity and Corporate Purpose.

After graduating from MIT in Math, Terri started her career at JPMorgan and spent 10 years working as a derivative trader. In particular she was part of the team that developed the credit derivative market globally as documented in Fool's Gold and PBS Frontline: Money Power and Wall Street. Later she became an entrepreneur and started a consulting business where she led expert witness teams in unwinding some of the more complex products from the credit crisis. She has been on the board of CHAPS Co (the UK high value payment system), the board of Operation Smile UK and was a founding member of the Women's Leadership Group for the Prince's Trust. She is the author of How the Trading Floor Really Works, Wiley/Bloomberg Finance 2012.
