

Important Announcement for the Data Management Analytics Course

August 22, 2023: We are pleased to inform that a Practice Test comprising ten model questions for the assessment of the Data Management and Analytics (DMA) course has been made available on ICAP's website.

The Practice Test and its accompanying guidelines can be accessed by all examinees through the following link:

It is important to note that the main purpose of this Practice Test is to help the examinees become acquainted with the format of the questions and the process of using the permissible software for answering. However, it should be noted that this Practice Test does not replicate the full assessment in terms of question quantity or time allowance.

For any related query, contact can be made at examinations@icap.org.pk or at +92 345 2130686.
