

July 24, 2023

Dear Examinees,

In continuation of the Institute's announcement made on 26 July 2022, we would like to inform you that, besides both papers of the MSA Examination, the following two papers of the CFAP Examinations will be converted to a computer-based examination (CBE) with effect from the Winter 2023 session:

- CFAP-2: Advanced Corporate Laws and Practices (ACL)
- CFAP-5: Tax Planning and Practices (TPP)

Please note the following information in this respect:

- You will be required to bring your own laptops to the examination center where you will be provided with internet and power connectivity.
- There is no change in the current pattern of the examination papers. Guidance on examination software and practice tests for all papers of CFAP and MSA are available on ICAP's website.
- You, as examinees residing outside Pakistan, will continue to appear in a remote proctoring environment.
- This marks the second phase of the conversion of the CFAP and MSA Examinations from paper-based to computer-based. All papers of the CFAP Examination will be converted to CBE with effect from the Summer 2024 session.
- The Examination Department will share the dates of mock examinations as well as open book examination-related details in due course of time.

For any inquiry or clarification regarding the above matter, you may contact [examinations@icap.org.pk](mailto:examinations@icap.org.pk).
