WEBINAR SERIES

FINANCIAL MODELLING ADVANCED EXCEL

Duration per Session: 1.5 Hours | January 5 – 28, 2021 | 1:00 PM - 2:30 PM PKT

CPD Hours - 1.5 / day

Program Overview

The Institute of Chartered Accountant of Pakistan is cognizant of the fact that women play a vital role in the development of society. The Institute is committed to supporting the diversity agenda ensuring that the profession becomes a truly inclusive one. The CA Women Committee is a strong advocate and is working towards encouraging women's participation in various walks of life.

In this connection, CA Women Committee once again brings to you an engaging webinar series exclusively for women on "Financial Modelling - Advanced Excel" from January 5, 2021 to January 28, 2021. This webinar series will cover a wide range of excel tools and techniques for data analysis. These measures will encourage all female members especially the ones on career breaks and trainees to abreast themselves with the technological advancements. CA Women Committee intends to support the female members of the Institute to develop their professional knowledge and skills through independent participation based on interactive learning. This free of cost webinar is another step in this direction.
