Meet the leaders of the oil and gas sector to learn about:

Biggest global challenges of 2020:

- Weakening economic growth
- Intensifying trade tensions
- Global political risks

Trends reshaping the oil industry:

- The new pricing paradigm
- Rapid growth in renewables
- Accelerating technology advancements

The future energy company:

- Cut costs
- Enhance operational efficiencies through digital and technological transformation
- Diversify its portfolio

It is important to anticipate and plan for the challenges and opportunities ahead.
